

## HIGH PERFORMANCE DRIVING ON ICE AND SNOW

### PRICE LIST FOR AALTONEN MOTORSPORT DRIVING EVENTS FOR WINTER 2012 AT TAHKOVUORI

At the events you'll have Aaltonen Motorsport prepared Ford Focus and BMW 325i race cars accompanied with Mini Cooper S's equipped with John Cooper Works kits at your disposal. The cars are equipped with roll cages, racing seats and seat belts, Eibach racing suspensions. Because the driving happens on ice, the tyres are long-spiked rally tyres, which offer astonishing grip making extremely high corner speeds possible. A lineup like ours is unique in all of Europe. The main instructor Tino Aaltonen has 20 years of experience organizing driving events. He continues in the footsteps of his legendary father, "The Flying Finn" Rauno Aaltonen, utilizing his teaching methods. Tino's customers also include international car manufacturers, for instance BMW, Mini, Ferrari and Porsche have relied on his expertise as driving instructor. Our program has been built for maximising the time spent behind the steering wheel. With us, you'll learn to drive like nowhere else.

### An event like this you won't get anywhere else.

In 2012 we'll organize driving events at Tahkovuori ski resort beginning of January 1<sup>st</sup> until March 31<sup>st</sup>
